

UKRATKO POTREBNO JE:

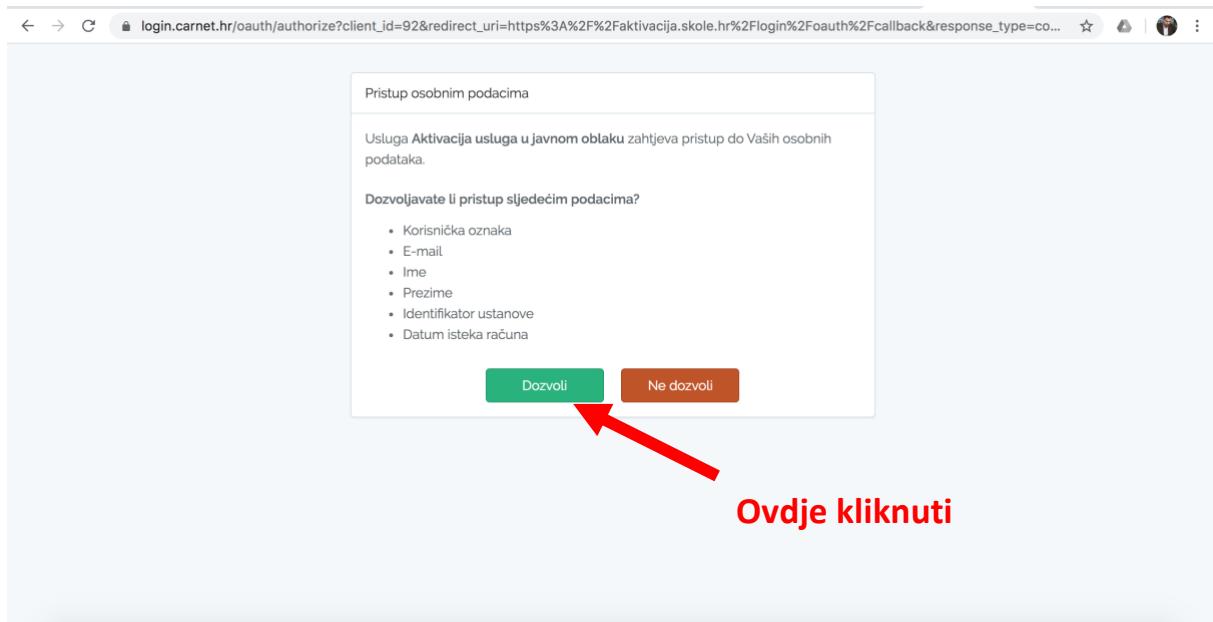

- Otići na stranicu <http://aktivacija.skole.hr> (gumb prijavite se za aktivaciju usluga).

The screenshot shows a web browser window with the URL aktivacija.skole.hr. At the top, the Carnet logo is visible with the tagline "znanje povezuje". On the right side, there is a link to "Korisnička podrška". The main content area has a heading: "Portal za aktivaciju usluga u javnom oblaku putem @skole.hr korisničkih računa". Below it, a text block explains that Carnet provides access to services for users of the @skole.hr domain via their Google accounts. It mentions that users can access services without losing data, using their email for various applications. A blue button labeled "Prijavite se za aktivaciju usluga" is shown, with a red arrow pointing to it from the right, accompanied by the text "Ovdje kliknuti".

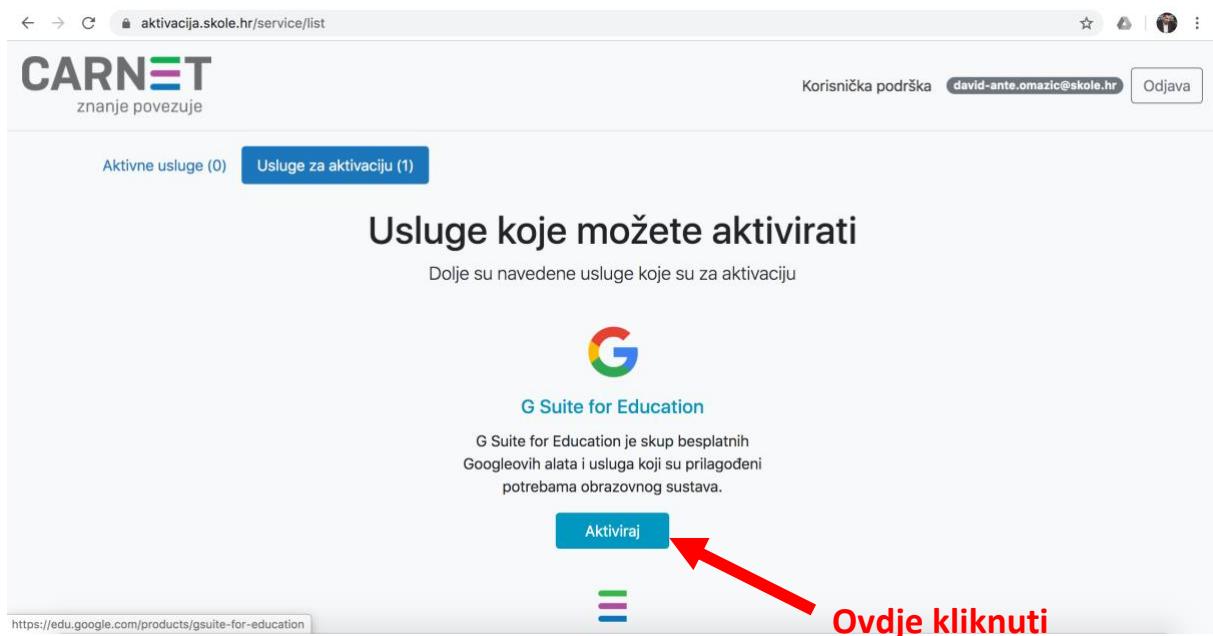

- Unesite Carnet podatke (korisničko ime i lozinku).

The screenshot shows a web browser window with the URL login.aaiedu.hr/sso/module.php/core/loginuserpass.php?AuthState=_7587657e2805778fae1956d2a6e023b551c0213747%3Ahttps%3A%2F%.... The page displays a login form for AAIEdu. The form includes fields for "Korisnička oznaka" (username) and "Zaporka" (password). Below the fields are two buttons: "Prijava se" (Log in) and "Pomoć" (Help). Red arrows point to the "Korisnička oznaka" field and the "Zaporka" field, with the text "Ovdje korisničko ime" and "Ovdje lozinka" respectively.

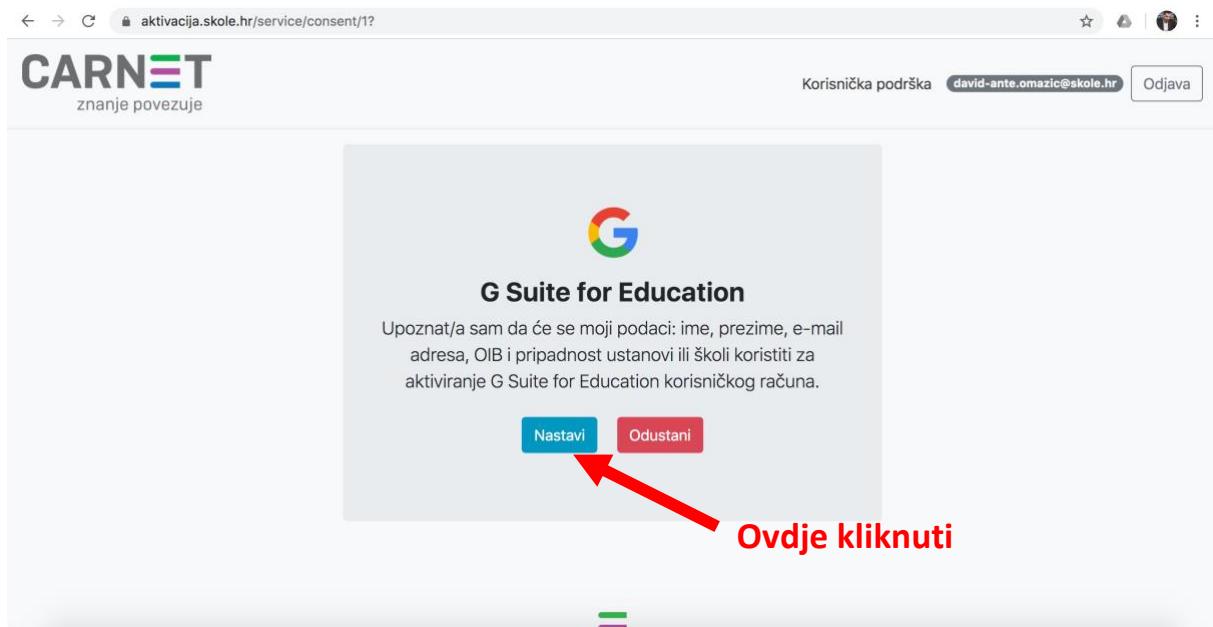

3. Ovdje Vas sustav pita slažete li se da se koriste vaši podatci i treba kliknuti "DOZVOLI".

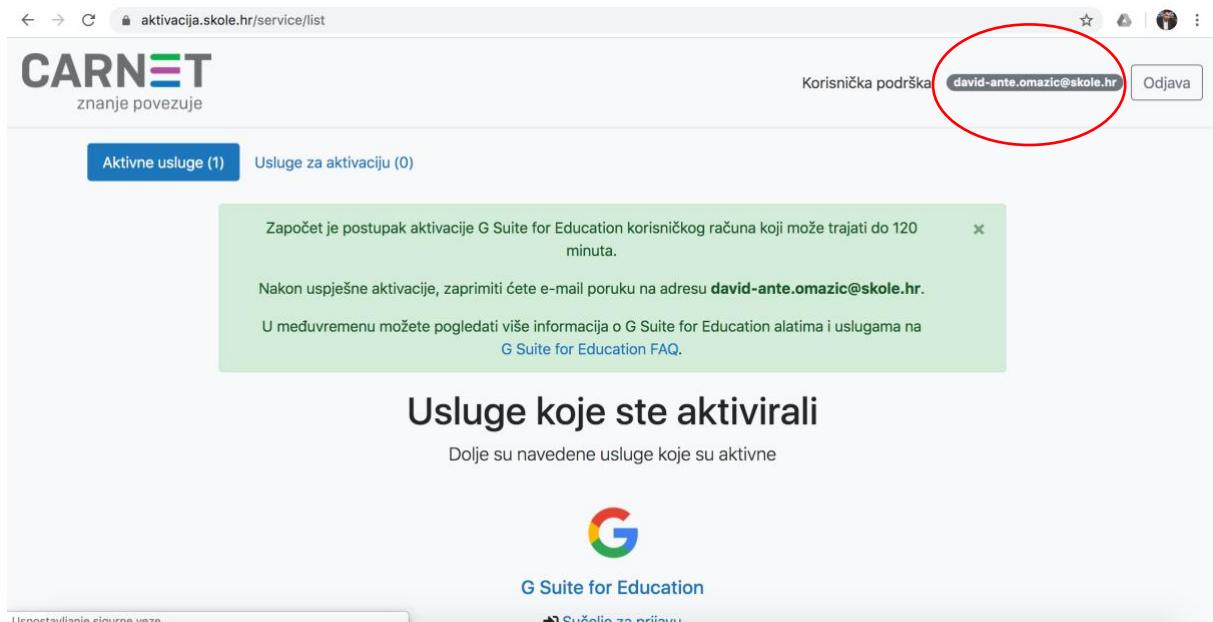

4. Ovdje Vas sustav pita želite li aktivirati usluge i treba kliknuti "AKTIVIRAJ".

- Nakon toga potrebno je stisnuti gumb "NASTAVI".

- Na kraju ovog dijela aktivacije biste trebali vidjeti ovaj ekran (provjere radi adresa e-pošte Vašeg djeteta bi trebala biti u gornjem desnom kutu).

- Nakon toga biste trebali dobiti poruku na CARNET adresu svog djeteta (ime.prezime@skole.hr) kako vam je gotova aktivacija.

Zadnja dva koraka šaljem nakon što se aktivira usluga.
